As per Article 210 of F.S.R "whenever an officer whose appointment is not Gazetted takes leave for not more than one month or whenever such an officer's salary is less than Rs 300/-, his pay (not salary) when he gives up office or in the cases of combined privilege leave and furlough, his pay (not salary) to which he is entitled when the furlough part of such leave commences is to be taken in lieu of average salary. The recommendation of the Deputy Commissioner that the leave allowances during the furlough period of leave granted to the Chief Officer may be calculated on the average salary instead of substantive pay is opposed to the above rule since the official has been granted leave for more than one month and also since his salary is less than Rs.300/- I have therefore nothing further to add beyond the opinion furnished by the Assistant Comptroller, Mysore Local Audit Circle, in his letter addressed to the President, Mandya Municipal Council (No 407 M L A C dated 6th November 1945).
